Scholars proudly publishes its fourth newsletter of the academic year 2019-2020, encompassing its events and happenings. The school has incessantly been a part of multitudes of events, almost till the close of its academic year, with children zealously partaking in opportunities rendered to them. Subsequently during the lockdown period children did have certain limitations in being a part of co-curricular events, nevertheless we did have aspiring children contributing and paving the way for unmasking and bringing forth their enterprising ideas to all through special videos and other forums.

We should be exceptionally thankful to the torchbearer of the school Mr Habib Mundol, our Chairman for all his unstinted support and grit in letting our children sparkle and thrive with remarkable outcomes.

Let us jointly hope for a better and healthy living and ask the almighty for his choicest blessings on all of us to experience a safe tomorrow.
