

SIS/STC/045/2018-2019

June 28, 2018

Dear Parents,

Science Working Model Contest : Let your hands work on **SCIENCE**.

As part of the **Science Club** activities, there will be a competition on **working models** related to Science for the students of grade 5-12. The working models must be related to the environment/real life/waste management and must contain some innovative ideas. The winners from each category will be honoured at the school assembly.

Last date of submission - Sept. 20, 2018.

Categories are given below:

Grade 5-8

Grade 9 -12

Prof. M. Abubaker
Principal
