## **Student E-mail Guidelines**

Scholars Indian School provides electronic resources for students in grades KG-12, including Outlook accounts to be used to access the academic resources, which is an integral part of the curriculum. The school's expectations for behavior and language in the use of these Outlook accounts must be consistent with classroom standards. The guidelines listed below are intended to govern the use of school-provided Outlook account and Orison whether the account is accessed in or outside of the school environment or on school-owned, public, or personal computers.

### **Proper Use of School-provided Outlook.**

Students should use their E-mail accounts to communicate with their classmates, teachers, or other school community members about school related topics only.

While students can E-mail teachers, they should not expect teachers to provide private tutoring through E-mail.

Students should not ask for or respond to E-mails requesting personal information not related to a school project.

- Parents should not use their children's accounts as a way of communicating to their children's classmates, teachers, or other members of the school community.

### **Account Capabilities.**

All accounts will be accessible from both inside and outside the school network. All accounts will be password protected.

It is the student's responsibility to maintain the personal account and password. It is also the student's responsibility to update the forwarding address if they change their personal account provider. Once a student forwards Email from their district account, the District is no longer responsible or liable for misuse of information, loss of confidentiality, or loss of information.

As the owner of the computer systems, the school reserves the right to monitor its computer systems to ensure that they are being used in accordance with the Acceptable Use Policy and related Administrative Regulations. The Superintendent reserves the right to terminate any individual's use of the District's computer systems. Misuse of the computer systems resulting in violations of these guidelines will be treated in accordance with existing procedures, and the Board's policy regarding Exclusion of Students.

### **Student Responsibilities.**

Students are entirely responsible for the confidentiality of their E-mail accounts, passwords, personal information, and for any activities that occur in the use of their accounts.

Students should have no expectation of privacy when using school-provided E-mail accounts.

- The student agrees to notify his/her teacher or principal immediately if any unauthorized use is made of his/her school-provided E-mail account.

The student agrees to report immediately to his/her teacher or principal the receipt of any unwanted or inappropriate E-mails from school employees. Most importantly, the school urges any student who receives any harassing, threatening, intimidating, or other improper message through the computer systems to report it immediately.

It is the school's policy that no student should be required to tolerate such treatment, regardless of the identity of the sender of the message. Please report these events! While E-mailing, students are responsible for following all parts of the school Acceptable Use Agreement.

Parents: I have read and discussed with my son or daughter this document, and I give permission for him or her to use the School E-mail system. I understand that E-mail access is conditional upon adherence to the Acceptable Use Agreement. Although students are supervised when using these resources in school, and their use is electronically monitored, I am aware of the possibility that my son or daughter may gain access to material that school officials and I may consider inappropriate or not of educational value.

- b. Disabling or attempting to disable any Internet filtering device.
- c. Encrypting communications to avoid security review.
- d. Borrowing someone's account without permission.
- e. Downloading or using copyrighted information without permission from the copyright holder.
- f. Intentionally introducing a virus to the computer system.
- g. Posting messages or accessing materials that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation or, in any manner, unlawful.
- h. Wasting school resources through improper use of the computer system.
- i. Gaining unauthorized access to restricted information or resources.

**2. CONSEQUENCES FOR INAPPROPRIATE USE.**

- a. Suspension of access to the system;
- b. Revocation of the computer system account; or
- c. Other legal action, in accordance with applicable laws

I understand that my computer use is not private and that the school may monitor my activity on the computer system to ensure appropriate use in accordance with this Agreement.

I have read the school's Electronic Communication and Data Management policy and administrative regulations and agree to abide by their provisions. In consideration for the privilege of using the school's electronic communications system and having access to public networks, I hereby release the Scholars Indian School, its trustees, officers, employees and agents from any and all claims and damages of any nature arising from my use of, or inability to use, such system.

#### **Staff Agreement form for acceptable use policy**

I have read, understand, and will abide by the school Staff Acceptable Use Policy (AUP) & Technology Usage Agreement. I further understand and accept that any violation of the regulations and policies in the agreement is unethical and may result in revocation of my privileges, school disciplinary action, and/or appropriate legal action.
