Newsletter

CHAIRMAN'S MESSAGE

I feel elated at this moment as Scholars Indian school has put up its baby step towards releasing its newsletter *REFLECTIONS*. I sincerely wish the Scholars fraternity a good luck for coming up with such a reflection which will certainly be an inspiring read for students and all the stake holders and will also act as a liaison between the school and the society. I appreciate the collaborative effort of all stake holders towards making all our events phenomenal.

PRINCIPAL'S MESSAGE

Kudos Scholars!!!

Now we are in the path towards reaching out to the world through letters and figures. Newsletter *REFLECTIONS* will announce the world the consistent and persistent endeavours of our students towards academic and non academic domains. The recently organized events including exhibition could shift the educational paradigm from text book learning to true application of skills. I feel really proud of the efforts made by the stake holders in promoting academic and personal success of our students and look forward to support the society with the continued excellence of our kids.

Get a fresh start

Freshers' Day 2019

Scholars Indian school commenced the academic year 2019 -2020 on 7th April, 2019. Like previous years the school welcomed the freshers' with an array of programmes which were planned and rehearsed prior to it.

KG 1 students were directed to the respective classrooms with their parents and the class teachers through special arrangements.

By 10 a.m, the school witnessed colourful cultural performances of the students which energized and entertained both participants and spectators.

The Hamdan award recipient of 2019, Ninan Aju Philip was honoured by the management and Principal after which the representatives from different domains of the school got themselves introduced to new parents and students.

A POLITICAL CARNIVAL

Scholars Parliamentary election 2019

Like previous years, this year also Scholars witnessed a thrilling and effervescent Parliamentary elections on 24th April 2019. Through Parliamentary elections, Scholars Indian School not only instill in students a system of government policies prevailing in countries like India and others, but also provides them a chance to lead the school, through which their leadership and communication skills are enhanced.

The election procedures let them know about the political system existing in different countries of the world and provides them a chance to simulate such procedures.

The “Meet the candidate” programme, campaigning process and casting the vote was something that added a lot to the curriculum and made the students work – ready and well rounded.

The parliamentary members were selected based on the number of votes they received. After the announcement of the election results, house captains and vice – captains were elected. The exciting part of the Scholars Parliamentary election 2019 – 2020 was the Exit poll results which gave an accurate picture of the actual results.

تقدم TAQADDAM

Henry David Thoreau

“This world is but a canvas to our imagination.”

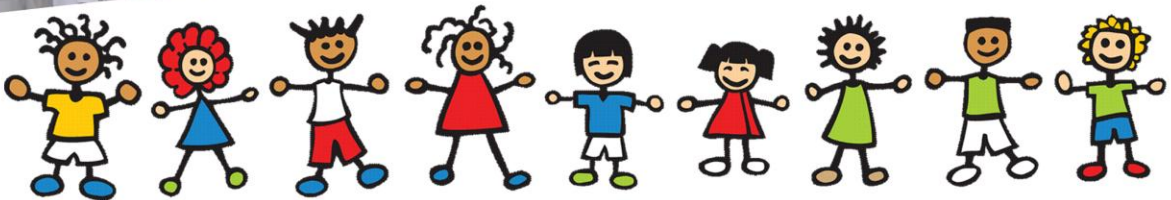

Students belonging to the different groups of Taqaddam programme delved into different areas and unleashed their creativity. Their works were specially honoured by the organizers of Taqaddam when showcased before them on 25th April 2019. Scholars Indian school could fall in the list of first 10 schools which were selected across the UAE for their creativity and steadfastness. The different ideas put forward by the Scholars budding kids included i-stop, ironman fist ,moving forward, happy & Tolerance and power automated water supply. Students were honoured for whetting their soft skills like confidence, purpose , mettle and positive emotions.

THEME BASED MORNING ASSEMBLIES

One of the enriching events of Scholars which marks the week with full of energy and vigour are the morning assemblies. The theme based assemblies provide students a wide range of information and opportunities to reflect and explore on various topics which they assimilate. Each grade puts up a thematic assembly as per the scheduled dates.

RENDEZVOUS : PARENT - TEACHER COUNCIL

Students could easily attain their goals only if there is a consistent and whole hearted support from the parents and teachers. To enhance the communication and to create a strong bond between the school and the parents, a PTC meeting was held on 13th April 2019, which discussed the academic and co-scholastic expanses of the school. Attendees were briefed on different domains of academics and the functioning of the school. The suggestions of the parents on different disciplines were considered to help students grow to the fullest .

SPEAK UP!

GAVEL CLUB CONTEST

One of the clubs of the Scholars Indian school , Gavel Club which hones the rhetoric and leadership skills of the students conducted the speech contest on 20th April 2019. The participants delivered outstanding speeches which were prepared based on the prescribed objectives. There were contests in four areas like International speech, Humorous speech, Table topics and Evaluation. The amazing performances of the seasoned student participants left the spectators spell bound.

EARTH DAY CELEBRATIONS

Scholars celebrated Earth day in an awe – inspiring way on 22nd April 2019, giving opportunities to the whole school to reflect on what each pupil can contribute towards a green and clean Earth. A special assembly was conducted by grade 5 students through which they clearly disseminated the objective of the Earth day. The students came forward with the placards and charts which were displayed on school premises. An array of programmes like song , speech and oath presented in the assembly instilled in students a fervent commitment towards saving the planet. Kindergarten students were all adorned in green, wearing a cap which held a strong message “save the planet”.

Art & Science Exhibition 2019

The SCHOLARS Incubator

Maya Angelou

“You can’t use up the creativity, the more you use, the more you have.”

INCUBATOR – The Art and Science exhibition 2019 added one more feather to the cap of Scholars. The students, parents, teaching and non- teaching staff put up their concerted efforts to make it a humongous event. Scholars family united to synergize their creativity, cognizance, talents, determination and aplomb. The event showcased the amalgamation of Art, Science, Language, Sports & Games and ICT. The success of the event boosted the confidence morale of the students.

Ninan Aju Philip

*Scholars family proudly honour
the Hamdan recipient 2019 of RAK*

OUR PRIDE

Kudos Ninan !!!!!!!!!

Ninan Aju Philip, the proud winner of High Highness Shaikh Hamdan award of cycle 21 (2018 – 2019) really made the school proud and raised its bar through bringing the prestigious laurel to RAK. He owns credit of being the first student from an Indian school in RAK to receive this honour. The academic excellence, social commitment, talent in art and dance, sports, leadership and communication skills are the different areas which made him a distinguished student.

SCHOOL CLEAN DRIVE

Scholars came forward with yet another clean drive campaign. Green and Clean School project invigorated the students to consistently head towards keeping the campus immaculate. The students also showed their compassion towards the nature by arranging bird feed at different stations. The Tolerance “graffiti wall” is another highlight that throws spotlight on the virtue Tolerance.

SCHOLARS COMMUNITY IFTAR

RAMADAN KAREEM

Scholars fraternity gathered together to be a part of the Iftar on 26 May, 2019. The Iftar was organised by Scholars Indian School and was strongly supported by other humanitarian organisations. The Iftar witnessed the presence of people from labour camp, school staff, students and parents. The tolerance value instilled in students was conspicuous in their very act of organising the event.

ICC WORLD CUP PREDICTION CONTEST 2019

Scholars Indian School always ensures that the students are highly alert of the various sports activities and thereby opportunities to virtually participate in all the world games. ICC prediction event was arranged on 23rd May 2019 in which the students from grades 6 and above were given a detailed address on ICC event through PPT and students were invited to predict the winning team out of the 10 participating countries. The programme was welcomed whole heartedly by the students through which they shared their opinion on each team.
