Dear Parents,

Science Photo Contest: Let your clicks speak SCIENCE.

This is to inform you that SCIENCE CLUB is organising a photo contest for the students of grade 1-4.

Time period: Whole Summer Vacation

Theme : **LITTLE SCIENTIST.**- Behind any drop of natural beauty lies plenty of science. The participants should submit a photograph with a caption. The photo should depict any scientific phenomenon, natural life or any setting in science (i.e. germination, rainbow formation etc). The students shall submit the photographs after the school reopening. The winners from each grade will be honoured in the school assembly.
