Chairman's Message

Habibur Rahman Mundol
Chairman

Dear Parents, Students, and Members of our School Community,

It gives me great pleasure to address you through this edition of our school's termly newsletter "**Reflections**" a publication that reflects the energy, creativity, and achievements of our vibrant learning community. In this issue, Scholars is trying to capture the spirit of excellence, team work and enthusiasm that is a signature defining characteristic of our small community, the students, our staff, our leaders and everyone involved in the school.

Education, in its truest sense, is not merely about academic excellence — it is about nurturing character, fostering curiosity, and instilling values that shape responsible global citizens. At Scholars Indian Private School, we are committed to providing a holistic learning environment that balances intellectual pursuits with emotional and moral development. Over the past few months, under the leadership of our Principal & Vice Principal, we have conducted 25 programmes, events and initiatives and we have also conducted 3 online exams.

This busy period witnessed several noteworthy programmes, including the **Scholars Entrepreneurial Initiative**, which inspired our students to cultivate innovation and leadership. Our **Malayalam Club's Souhrda Sandhya 2025** beautifully celebrated the richness of our cultural heritage, reinforcing the values of unity, identity, and appreciation for our linguistic traditions. The **Youth Festival** provided a platform for students to exhibit their artistic and intellectual talents. Equally commendable was the **Health Camp organized in collaboration with RAK Hospital**, which emphasized the importance of physical well-being as an integral part of education. There are way too many to mention them all here but our dedicated team of educators continuously works to create meaningful learning experiences that prepare our students to face the challenges of the modern world with confidence, creativity, and compassion.

The Ras al Khaimah Department of Knowledge (RAKDOK) has also been extremely proactive in guiding all the schools in RAK to achieve the UAE Government's vision of making the UAE a global leader in education. They are working closely with us to provide training and coaching for our staff to achieve some of the lofty goals set by the visionary leaders of this country and we look forward to working closely with RAKDOK on this journey towards achieving these targets.

As we continue our journey, I am confident that these events reaffirm our belief that excellence is achieved when every student is given the opportunity to explore, create, and contribute meaningfully. I extend my heartfelt appreciation to our dedicated teachers, supportive parents, and enthusiastic students who make these achievements possible.

Together, let us continue to foster a community where learning is a joy, creativity is celebrated, and excellence is a shared pursuit.

I wish you all the very best wishes for the rest of the academic year.

Principal's Message

Hameed Ali Yahya K M
Principal

Dear Scholars,

I am pleased to present this edition of our newsletter '**REFLECTIONS**' that reflects the students' achievements, creative expressions and multiple learning experiences they have received even from beyond the classrooms. I am proud of my students, who continuously strive to excel academically and beyond.

I would like to take this opportunity to wholeheartedly appreciate the teachers and the staff of our school as their dedication and commitment enabled them to continuously provide meaningful opportunities to the students. As reflected in the school vision and mission, these opportunities ensure that our students grow to become confident, independent learners and active explorers.

The editorial board, who deserve special appreciation, has taken special attention to give clarity and elegance to the diverse contributions of the students. Their efforts make this edition a true platform to highlight our students' talents and skills and thus motivate others to follow their path.

As you go forward, I am sure that you will feel inspired as you can feel the spirit, energy and the enthusiasm of the school community. Let us continue supporting them so that the world ahead of us is filled with vibrant energy, enthusiasm and positivity.

Wishing all an enjoyable experience.

With regards

FRESHER'S DAY 2025-26

"Every new beginning comes from some other beginning's end." — Seneca

The campus of Scholars Indian Private School came alive with warmth and vibrant energy as the institution welcomed its newest members on the joyous occasion of Fresher's Day. The day began with a heartfelt welcome extended to the new admissions at the designated welcome booth. Each new student was greeted with a radiant smile and presented with a handcrafted flower, symbolizing the blossoming of their journey at Scholars. The new admissions then gathered for a special assembly where Principal Mr. Hameed Ali Yahya delivered an inspiring welcome address. This was followed by a brief cultural programme featuring a graceful welcome dance and a melodious choir performance.

Later, all students from Grades 1 to 12 assembled for a second session. The Principal addressed the gathering once again, appreciating the NASO Olympiad winners and the Young Authors who represented the school at the National Youth Authors Fair. Their recognition inspired the entire student body. The day concluded with a vibrant cultural performance, marking a joyful beginning to the academic year and celebrating the spirit of learning, creativity, and new beginnings. Fresher's Day at Scholars was not just a welcome—it was a celebration of new beginnings, of nurturing potential, and of igniting the spark of a bright future.

CBSE BOARD EXAMINATION RESULTS 2024-2025

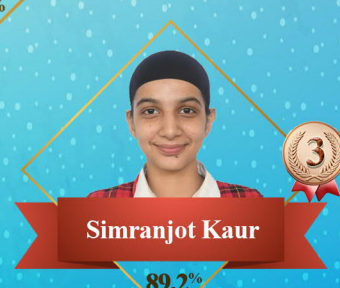

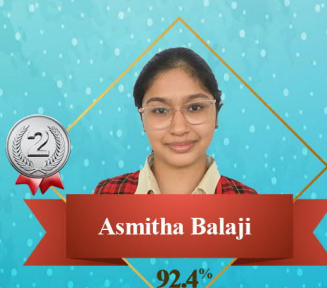

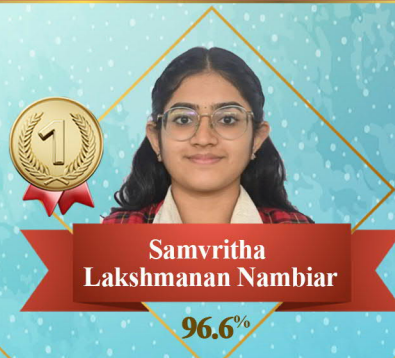

The CBSE Board Examination Results 2025 brought immense pride and joy to Scholars Indian Private School, as the students of Grades 10 and 12 achieved an outstanding 100% pass rate, reaffirming the school's enduring legacy of academic excellence. This remarkable accomplishment reflects the students' unyielding determination, intellectual discipline, and pursuit of scholastic distinction.

Each scholar's success stands as a beacon of what can be attained through perseverance and guided mentorship. The tireless dedication of the teaching faculty, coupled with the unwavering support of parents, has been instrumental in shaping this exceptional academic achievement.

GRADE 10 SCHOOL TOPPERS

GR. 12 SCIENCE TOPPERS

Adding to this moment of pride, **Mohamed Aqib** emerged as the Grade 10 School Topper, while **Krithik Pradhan** secured the distinction of Grade 12 Science Stream Topper, and **Samvritha Lakshmanan Nambiar** was honoured as the Grade 12 Commerce Stream Topper. Their exemplary performances stand as an inspiration to their peers and a reflection of the school's commitment to nurturing intellectual excellence.

By proving that perseverance triumphs over talent, our students have turned determination into distinction. Their success not only celebrates academic brilliance but also exemplifies the school's vision of nurturing active explorers of knowledge and independent learners who are empowered to think critically, act responsibly, and excel globally.

PARENT ORIENTATION 2025-2026

"Education is a shared commitment between dedicated teachers, motivated students, and supportive parents."

The Orientation Programme for the academic year 2025–26 was meticulously organized to welcome students and parents from KG1 to Grade 12 and to acquaint them with the school's vision, mission, and operational framework. The session commenced with a warm welcome, establishing a positive and engaging atmosphere for the new academic journey.

Principal Mr. Hameed Ali Yahya K M addressed the gathering with a comprehensive presentation that highlighted the school's rich history, its commitment to nurturing lifelong learners, and its mission to provide holistic education rooted in values and academic excellence. He elaborated on the school's motto and introduced the administrative team, ensuring parents and students felt familiarized with the key personnel. The Principal also provided detailed insights into the school's rules, regulations, code of conduct, attendance policies, and academic expectations, enabling all stakeholders to understand the standards and structures upheld at the institution.

Following this, School Counsellor Mrs. Bitty Devasia conducted an informative session on child protection, emotional well-being, and managing behavioural challenges. She emphasized the significance of a safe, supportive, and inclusive environment and guided parents on effective collaboration with the school to promote positive behaviour and holistic development.

The orientation proved to be an essential and enlightening event, fostering connection, confidence, and clarity among parents and students as they embarked on the new academic year.

Scholars Toppers FELICITATION Ceremony 2025

Success is the symphony of diligence, discipline, and determination —
— a melody that resonates through the corridors of excellence.

The Felicitation Ceremony 2024–25 of Scholars Indian Private School, held on May 21, 2025, unfolded as a magnificent celebration of academic brilliance and intellectual distinction, honouring the outstanding achievers of CBSE Grades 10, 12, and 11 from the preceding academic year. The occasion radiated an aura of pride and accomplishment, graced by the presence of esteemed dignitaries, distinguished educators, proud parents, and the vibrant student fraternity.

The event commenced with an eloquent welcome address by Aaron Antony, President of the Scholars' Parliament, who set the tone for an evening dedicated to honouring excellence. This was followed by an inspiring address by Vice Chairman, Mr. Tansen Habib Mundol, who extolled the collective perseverance of students, parents, and faculty in achieving commendable academic outcomes. The Presidential Address delivered by Principal, Mr. Hameed Ali Yahya K M, encapsulated the school's enduring vision of academic distinction and holistic development, urging the young achievers to continue their pursuit of knowledge with humility and purpose.

The highlight of the evening — the felicitation segment — was a resplendent tribute to merit and perseverance. The toppers of Grade 12 (Science and Commerce), Grade 10, and Grade 11 were ceremoniously honoured with Gold Medals and Mementos of Honour, symbolizing the culmination of their hard work and resilience. Each awardee ascended the stage amid thunderous applause, embodying the spirit of scholarly excellence that defines the institution.

The event drew to a graceful close with a Vote of Thanks by Afreen Shajeer, who expressed heartfelt gratitude to the management, faculty, and parents for their unwavering support. The ceremony stood as a testament to Scholars Indian Private School's unwavering commitment to nurturing academic excellence, inspiring every learner to ascend greater summits of achievement in the years ahead.

STUDENT COUNCIL

2025-2026

"A genuine leader is not a searcher for consensus but a molder of consensus." — Martin Luther King Jr.

The Student Parliament Council Election for the academic year 2025–26 was held on May 2, 2025, at Scholars Indian Private School, reflecting the true essence of democracy and student leadership.

The electoral process began with the declaration of the election notification, followed by nomination, scrutiny, and withdrawal of candidates. The campus was filled with excitement as aspiring leaders campaigned through posters, speeches, and a 'Meet the Candidate' session, confidently sharing their vision for the school community.

This year, the school reintroduced manual voting, allowing students to experience the authentic process of democratic participation. The voting day saw enthusiastic participation from students of Grades 5 to 12, who cast their votes with maturity and integrity.

The results, announced in a special assembly, were met with applause and celebration. Aaron Anthony was elected President, and Afreen became the Prime Minister, along with other deserving leaders who assumed key positions in the council. Principal Mr. Hameed Ali Yahya congratulated the elected representatives, reminding them that true leadership lies in integrity, empathy, and service.

The election was not merely an event but a valuable learning experience, fostering in students the ideals of democracy, accountability, and teamwork, and preparing them to become the responsible leaders of tomorrow.

Scholars Investiture Ceremony

*"Leadership is not about authority —
it is about responsibility, vision, and the courage to inspire change."*

The Investiture Ceremony 2025 of Scholars Indian Private School was held on May 16, 2025, with an atmosphere imbued with pride, dignity, and anticipation. The event symbolized the formal investiture of the newly elected student council and house leaders, marking the dawn of a new chapter in student leadership and collective responsibility.

The ceremony commenced with the hoisting of the flag, accompanied by the UAE National Anthem and a soulful recitation from the Holy Quran, invoking a spirit of reverence and unity. The welcome address underscored the essence of leadership grounded in service, moral conviction, and collaboration.

The oath-taking ceremony stood as the heart of the event — a solemn moment when the newly appointed council members pledged to uphold the ideals of honour, discipline, and commitment to the school's vision. As the sashes were ceremoniously conferred, it signified not merely titles of distinction but mandates of trust and stewardship.

The proceedings concluded with a Vote of Thanks, extending appreciation to the management, staff, and students for their unwavering support and participation.

The Investiture Ceremony 2025 epitomized the school's unwavering belief in empowering young visionaries to lead with integrity, compassion, and purpose, reminding all that leadership, in its truest sense, is an act of service and inspiration.

cness

conclave 2025-2026

Scholars Indian Private School conducted its Inter-House Chess Competition on 14th June 2025, transforming the venue into a centre of intellectual precision and strategic excellence. Students from the Sub-Junior, Junior, and Senior categories participated with remarkable enthusiasm, with separate rounds for boys and girls ensuring fairness and balanced representation.

The knock-out format brought intense yet disciplined competition, as players demonstrated exceptional analytical thinking, calm decision-making under pressure, and refined tactical skills. Spectators and teachers observed a series of gripping matches marked by clever manoeuvres and compelling endgames, making the event both enriching and engaging.

The programme concluded with appreciation for all participants, whose dedication and exemplary conduct reflected the true spirit of sportsmanship. Certificates were awarded to the finest performers in honour of their strategic brilliance.

The competition reaffirmed the school's commitment to nurturing intellectual growth, fostering healthy rivalry, and shaping learners distinguished by resilience, clarity of thought, and integrity.

INTER-HOUSE DATE FESTIVAL 2025

On 13 June 2025 — Scholars Indian Private School proudly hosted its Dates Festival in the school auditorium, orchestrated under the aegis of the UAE SST Club. Centered on the theme **“Dates Tree: Its Impact on Culture and Economy,”** the festival witnessed enthusiastic participation from students of Grades 4 through 12 in a meticulously curated house-wise competition, seamlessly blending research, creativity, and performance. The festival was inaugurated by Mr. Hameed Ali Yahya, Principal, whose address eloquently underscored the significance of cultural heritage in cultivating informed and conscientious global citizens. Vice Principal Miss Preetha followed with an insightful message, highlighting the imperative of understanding and preserving traditional practices as a cornerstone of Emirati identity.

The programme featured a diverse array of exhibits, and cultural performances, each meticulously designed to illuminate the multifaceted significance of the date palm. Students showcased the traditional and contemporary uses of dates, their nutritional virtues, and their economic contribution, alongside dramatizations reflecting their pivotal role in Emirati festivals and folklore. Students demonstrated sustainable uses of the date palm, from palm frond weaving to culinary applications, offering attendees an immersive cultural experience.

Through this event, students cultivated critical research skills, collaborative teamwork, and sophisticated presentation abilities, while deepening their appreciation for the UAE’s enduring cultural legacy. The festival served not only as an academic exercise but as a celebration of resilience, tradition, and identity, paying homage to the date palm — revered as the “tree of life” in Emirati society. Scholars Indian Private School’s Dates Festival 2025 was a testament to the institution’s commitment to holistic education, cultural literacy, and experiential learning, fostering a generation of students who are both culturally aware and globally competent.

SOUHRUDA SANDHYA 2025

"Language is the soul of culture — it carries the music, the memories, and the spirit of a people."

The Malayalam Department of Scholars Indian Private School proudly organized its annual cultural evening, SOUHRUDA SANDHYA 2025, under the banner of the Souhradam Koottayma, on 24th May 2025 at the school premises. The event was presided over by the Principal, Mr. Hameed Ali Yahya, and inaugurated by the distinguished literary figure Mrs. Jilna Jennath, recipient of the Santha Kumaranthambi Yuva Sahithya Puraskaram, whose inspiring address added great depth to the occasion.

The celebration was further graced by School Chairman, Mr. Habibur Rahman Mundol, and Vice Principal, Ms. Preetha M., who extended their felicitations and commended the department's efforts in promoting linguistic and cultural heritage.

The evening came alive with a series of captivating performances by students that showcased the rich traditions, literature, and artistic grace of the Malayalam language. Songs, dances, and dramatic recitations reflected the spirit of unity and creativity that defines the school community.

SOUHRUDA SANDHYA 2025 once again emerged as a vibrant tribute to cultural harmony, artistic expression, and the timeless beauty of Malayalam, leaving an indelible mark on all who attended.

CBSE NUTRITIONAL WEEK 2025-26

The Health and Safety Department of Scholars Indian Private School, in collaboration with the Student Representatives, organized a series of insightful and engaging activities as part of the **Poshan Abhiyan 2025** initiative. The observance sought to foster awareness among young learners about the vital importance of balanced nutrition, healthy eating habits, and personal hygiene, thereby promoting holistic well-being.

A range of age-appropriate and interactive sessions was conducted across Kindergarten to Grade 4. The Kindergarten students were sensitized to basic hygiene practices to be followed during mealtime, while students from Grades 1 to 4 delved deeper into the concepts of balanced diet, nutrient-rich food choices, and mindful eating through discussions, demonstrations, and creative classroom engagements.

Adding vibrancy to the observance, students enthusiastically crafted and exhibited informative articles, posters, and visual displays on class and corridor notice boards, effectively spreading awareness among their peers. A special morning assembly themed “**Nutrition and Healthy Food Habits**” further accentuated the week’s objective. The assembly featured informative talks, thought-provoking presentations, and student-led reflections, emphasizing that good nutrition is not merely a choice but the cornerstone of lifelong vitality and wellness.

The initiative successfully instilled in students a deeper understanding of the adage —
“**Healthy habits formed in childhood pave the path for a wholesome future.**”

GLOBAL MONEY WEEK 2025

“An investment in knowledge pays the best interest.” — Benjamin Franklin

The Commerce Department of Scholars Indian Private School enthusiastically celebrated Global Money Week 2025 from 21 to 25 April 2025, organizing a series of insightful and engaging activities aimed at nurturing financial literacy and responsible money management among students. The week-long celebration sought to instill the values of prudence, planning, and economic awareness — essential traits for future global citizens. The event was inaugurated by the Principal, Mr. Hameed Ali Yahya, who highlighted the indispensable role of financial education in shaping capable and conscientious individuals. The Vice Principal, Ms. Preetha M, commended the students’ enthusiasm and encouraged them to explore the world of finance with curiosity, diligence, and ethical awareness.

A range of interactive sessions and events marked the week’s proceedings. Game Hour featured stimulating financial quizzes and games designed to enhance decision-making and problem-solving skills. Coffee with Dignitaries provided students with an invaluable platform to engage in thought-provoking discussions with experienced professionals from the finance sector. The Awareness Sessions delved into essential topics such as budgeting, saving, digital banking, and investment strategies, equipping students with the knowledge to make informed financial choices.

The celebration resonated with the global theme — **“Protect your money, secure your future,”** — and successfully cultivated a culture of financial responsibility among students. The week concluded with a vote of thanks and distribution of certificates to all active participants and organizers.

MEDICAL CAMP FOR STAFF

**"To keep the body in good health is a duty...
otherwise we shall not be able to keep our
mind strong and clear."**

— Buddha

RAK Hospital conducted a comprehensive **Health Check-up Camp** for the teaching and non-teaching staff of Scholars Indian Private School, aimed at assessing and promoting overall well-being. The camp offered staff members the opportunity to undergo thorough screenings, including vital signs assessments, blood tests, and general physical examinations.

Following the screenings, the attending doctor provided personalized health consultations, offering tailored guidance on dietary habits, lifestyle modifications, and stress management techniques. Recommendations for further medical follow-ups were made for staff members requiring specialized care.

The session was both informative and interactive, with staff actively engaging with the medical team, asking questions, and gaining valuable insights into preventive health and wellness practices. Emphasis was placed on maintaining work-life balance, regular exercise, and mental well-being, reinforcing the link between personal health and professional efficiency.

The initiative was warmly appreciated by all participants, highlighting the commitment of RAK Hospital to fostering a culture of proactive health awareness and holistic care among educational professionals.

Scholars YOUTH FESTIVAL 2025

OFF-STAGE Competitions

The Off-Stage Events of the Scholars Youth Festival 2025, held on Thursday, May 8, 2025, unfolded as a vibrant panorama of creativity, intellect, and artistic expression. The inter-house competitions served as a distinguished platform for students to exhibit their diverse talents in Drawing, Story Writing, Versification, Colouring, and the Memory Contest, each category celebrating a different facet of human imagination and skill.

Participants from various grades showcased exceptional enthusiasm and ingenuity, infusing their performances with originality, depth, and precision. The young artists breathed life into their ideas through vivid and expressive drawings, while the budding writers impressed with captivating narratives and eloquent poetry that reflected clarity of thought and creative maturity. The Colouring and Memory Contests further demonstrated their keen observation, concentration, and cognitive excellence.

The event was conducted with meticulous coordination and academic grace, fostering an environment of healthy competition, artistic collaboration, and intellectual growth. More than a contest, it became a celebration of the school's ethos — one that values not only academic brilliance but also the creative spirit that defines true education.

The Off-Stage Competitions of the Youth Festival 2025 thus stood as a resounding affirmation of Scholars Indian Private School's commitment to nurturing imagination, innovation, and self-expression, empowering students to explore the boundless potential of their creative minds.

ON-STAGE Competitions

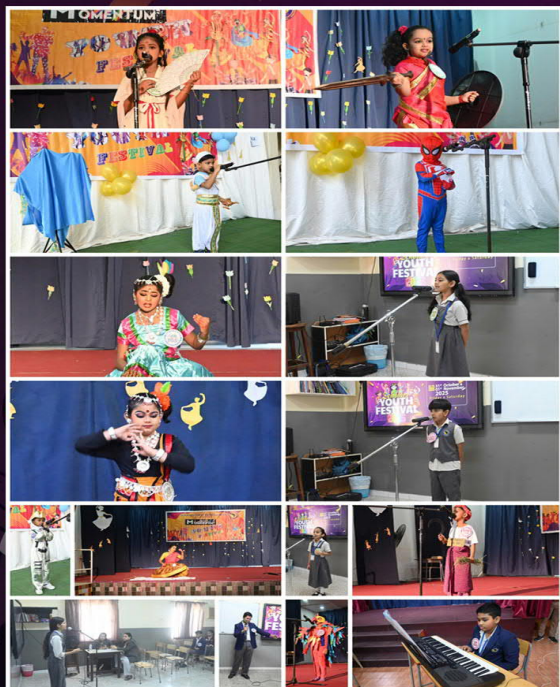

The Scholars Indian Private School hosted its much-awaited cultural extravaganza, the **Scholars Youth Festival – Momentum 2025 (Onstage)**, on 31st October and 1st November 2025. This vibrant inter-house competition brought together the creativity, talent, and enthusiasm of students across all grades, transforming the campus into a hub of artistic energy and cultural expression.

This year's festival featured 7 diverse categories and an impressive lineup of 89 events, offering students a wide platform to explore and exhibit their skills in literature, music, dance, theatre, visual arts, and creative expression. From impromptu speaking and declamation to classical and contemporary dance, instrumental and vocal music, dramatic enactments, and live art challenges, each performance showcased the unique abilities and confidence of our young Scholars. The auditorium resonated with applause as participants delivered thought-provoking improvisations, soul-stirring recitations, and mesmerizing dance sequences, all marked by meticulous preparation and spirited teamwork. The judges and audience alike were impressed by the professionalism, stage presence, and originality exhibited by the students.

Beyond the competition, **Momentum 2025 (Onstage)** served as a meaningful platform for celebrating diversity, fostering collaboration, and encouraging learning beyond the confines of the classroom. It highlighted the school's commitment to nurturing well-rounded individuals with a passion for the arts and a spirit of healthy competition.

After two days of intense yet joyful participation, Sapphire House emerged as the Cultural Champion of Momentum 2025 Onstage, securing the highest overall points across events and performances. Their collective effort and consistent excellence earned them the prestigious title. **Momentum 2025 (Onstage)** was a memorable celebration of talent, culture, and the vibrant spirit that defines Scholars Indian School, leaving students inspired and motivated for the year ahead.

ON-STAGE Competitions

MARKING MATTERS!

On April 29, a valuable professional development session was conducted by **Ms. Dimpy Choudhary** from the **RAK Department of Knowledge (RAK DOK)**, aimed at equipping teachers with effective strategies for marking and feedback. The focus of the session was on making "marking matter" by encouraging purposeful and meaningful interactions with students' notebooks.

Teachers were guided to help students build a genuine relationship with their notebooks, transforming them into tools for reflection and critical thinking rather than mere repositories of information. Emphasis was placed on developing consistent notebook routines, establishing a clear sense of audience, and celebrating mistakes as learning opportunities. Mrs. Dimpy also encouraged teachers to motivate students to personalize and decorate their notebooks, fostering a sense of ownership and pride. Practical strategies such as using correction codes, colour pens for feedback, and promoting student-led review were introduced to make notebooks more dynamic and student-centered.

The session served as a refreshing reminder that effective marking goes beyond corrections—it helps nurture independent thinking, creativity, and a deeper engagement with learning.

دائرة رأس الخيمة للمعرفة
RAS AL KHAIMAH
DEPARTMENT OF KNOWLEDGE

CAT4 ASSESSMENT

The CAT4 Examination was conducted from September 10 to 12, 2025, at Scholars Indian Private School for students of Grades 3, 5, 7, and 9. Designed to assess cognitive potential beyond academic attainment, the Cognitive Abilities Test (CAT4) serves as a comprehensive diagnostic tool that evaluates learners across four core reasoning domains—verbal, non-verbal, quantitative, and spatial.

The administration of this examination aimed to provide a deeper understanding of students' cognitive profiles, enabling educators to adopt data-informed strategies that nurture individual learning styles and intellectual growth. Armed with this information, teachers can tailor future lesson plans to effectively address any learning gaps or deficits identified among their students, thereby ensuring a more focused and inclusive approach to learning. The sessions were conducted with precision and academic integrity, ensuring a seamless and conducive testing environment for all participants.

As Benjamin Bloom profoundly remarked, "All children can learn; some just need more time and different approaches." The CAT4 assessment resonates with this philosophy, empowering educators to unlock each learner's potential and cultivate a culture of personalized, evidence-based education.

CULINARY CANVAS

THE SCIENCE OF FIRELESS FLAVOURS

Where creativity meets chemistry, flavor finds its fire — even without a flame

The Science Department of Scholars Indian School hosted an innovative and intellectually stimulating inter-house cooking competition titled *CULINARY CANVAS* – The Science of Fireless Flavors on 30th May 2025 in the school auditorium. The event sought to illuminate the scientific essence behind culinary creativity, focusing on food preparation techniques that require no fire.

Open to students of Grades 5 to 8, the competition seamlessly integrated scientific inquiry with gastronomic artistry. A total of 16 spirited teams participated, presenting an impressive repertoire of healthy, inventive, and aesthetically appealing dishes, each reflecting an understanding of the science of nutrition, preservation, and flavor chemistry.

Entries were meticulously evaluated on creativity and innovation, taste and texture, nutritional value, adherence to safety measures, and overall presentation. After a rigorous assessment, three exceptional teams earned the prestigious title of ‘**Scholars Master Chef**’, a testament to their outstanding culinary proficiency and scientific insight.

The event was a captivating confluence of knowledge and creativity, igniting curiosity about the science behind everyday food while fostering collaboration, analytical thinking, and innovation among participants. *CULINARY CANVAS 2025* was lauded by students and faculty alike as a remarkable success, leaving behind a flavourful imprint of learning through experimentation and creative exploration.

ECOVOGUE 2025

SUSTAINABILITY

KIDS FASHION SHOW

"The future of our planet lies not in grand gestures, but in the conscious choices we nurture in the youngest minds today."

The Science Department of Scholars Indian Private School orchestrated an extraordinary celebration of creativity and environmental consciousness through ECO VOGUE 2025, held on May 17, 2025, in the school auditorium. Conceptualized as a Sustainability Kids Fashion Show for students of Grades 1 to 4, the event seamlessly merged artistry, innovation, and ecological awareness, fostering a sense of environmental stewardship among young learners.

With remarkable enthusiasm, the young participants graced the runway adorned in exquisitely crafted ensembles fashioned entirely from recycled and repurposed materials—including newspapers, cardboard, jute, discarded fabrics, and plastics. Each costume stood as a symbolic narrative of environmental harmony, encapsulating thought-provoking themes such as biodiversity conservation, renewable energy, zero waste, and the preservation of natural ecosystems. The event transcended the conventional boundaries of a fashion show, transforming the stage into a platform for advocacy and artistic expression.

The atmosphere resonated with admiration as the audience witnessed how imagination, when intertwined with sustainability, can yield a powerful message of hope and responsibility. The event culminated in a ceremonious felicitation of the most exceptional participants, conferred with the titles of ECO CAPTAIN, ECO STAR, and GREEN GLAM — honouring their creativity, message, and presentation. Certificates of appreciation were also awarded to all participants, recognizing their earnest contributions as emerging environmental ambassadors.

ECOVOGUE 2025 epitomized the institution's unwavering commitment to nurturing eco-conscious global citizens, illuminating how even the youngest voices can champion sustainability with elegance and conviction. The event not only celebrated innovation but also reaffirmed the timeless truth that true beauty lies in responsibility — the responsibility to cherish, protect, and preserve the Earth.

MATH QUIZ

When curiosity meets logic, learning becomes an adventure — that's the beauty of mathematics.

The Mathematics Club of Scholars Indian School successfully organized the much-awaited **Mathematics Quiz 2025** on 29th May 2025, engaging students from Grades 1 to 12 in a celebration of logic, reasoning, and problem-solving excellence. The initiative aimed to ignite a passion for mathematics and promote collaborative learning beyond the classroom.

The Preliminary Round, conducted online via Microsoft Teams on 15th May 2025, saw enthusiastic participation across all grades, with the top four students from each grade qualifying for the Grand Finale. The final round, consisting of three intellectually stimulating phases, was inaugurated by the Principal, Mr. Hameed Ali Yahya K M, in the esteemed presence of Vice Principal, Ms. Preetha M.

Winners were honored with certificates during the school assembly on 16th June 2025. The event proved to be an enriching and inspiring experience, fostering mathematical curiosity, critical thinking, and real-life application skills among students, reaffirming that learning mathematics can be both engaging and empowering.

PISA ASSESSMENT

“Assessment, at its highest purpose, transcends evaluation —
it illuminates how knowledge is applied, how reasoning evolves, and how intellect meets the real world.”

The Programme for International Student Assessment (PISA) 2025 was conducted with exemplary precision on May 5 and 8, engaging selected students from Grade 9 and above and registering an impressive 92% participation rate. The globally benchmarked assessment aimed to gauge learners' critical thinking, analytical acumen, and real-world problem-solving competencies across three pivotal domains — English, Science, and Mathematics.

The sessions were administered under the meticulous supervision of the International Assessment Team, ensuring unwavering adherence to global testing protocols and procedural integrity. Students demonstrated commendable discipline, intellectual curiosity, and academic rigor, while teachers and coordinators ensured seamless logistical and administrative execution.

Preliminary feedback from evaluators reflected high commendation for the school's organization and preparedness. The results, currently under analysis, are anticipated to provide insightful data to further align pedagogical strategies with international standards of academic excellence.

The successful administration of PISA 2025 stands as a significant milestone in Scholars Indian School's pursuit of educational distinction, reaffirming its dedication to cultivating globally competent, critically minded learners equipped for the demands of the 21st century.

EDUCATION TRAINING

دائرة رأس الخيمة للمعرفة
RAS AL KHAIMAH
DEPARTMENT OF KNOWLEDGE

The Scholars Indian Private School faculty had the privilege of attending an intellectually stimulating training session on *AI in Education*, meticulously organized by **RAK DoK** and expertly led by **Ms. Nasiba Alrawi**. The session sought to acquaint educators with the transformative potential of Artificial Intelligence in reshaping the educational landscape, while also emphasizing the responsible and ethical integration of AI-driven tools into contemporary teaching and learning practices.

Ms. Nasiba Alrawi delivered a highly engaging and insightful presentation, introducing a suite of cutting-edge AI platforms such as Perplexity, Gemini, Quwen Claude, Notebook LM, School AI, and Chat GPT. Through practical demonstrations and real-time applications, she illustrated how these tools can revolutionize lesson planning, streamline administrative efficiency, foster creativity, and enhance both teaching precision and student engagement. Her discourse thoughtfully underscored the balance between technological advancement and human empathy, reinforcing the educator's role as a guiding force in an increasingly digital world.

The session proved to be a profoundly enriching experience, inspiring educators to envision AI as a powerful ally in elevating academic excellence and institutional innovation. It laid the groundwork for fostering a culture of digital literacy and forward-thinking pedagogy within the school community. The Scholars Indian Private School extends its deepest appreciation to **RAK DoK** for orchestrating this visionary initiative and to **Ms. Nasiba Alrawi** for her exceptional expertise and contribution toward empowering educators for the future of learning.

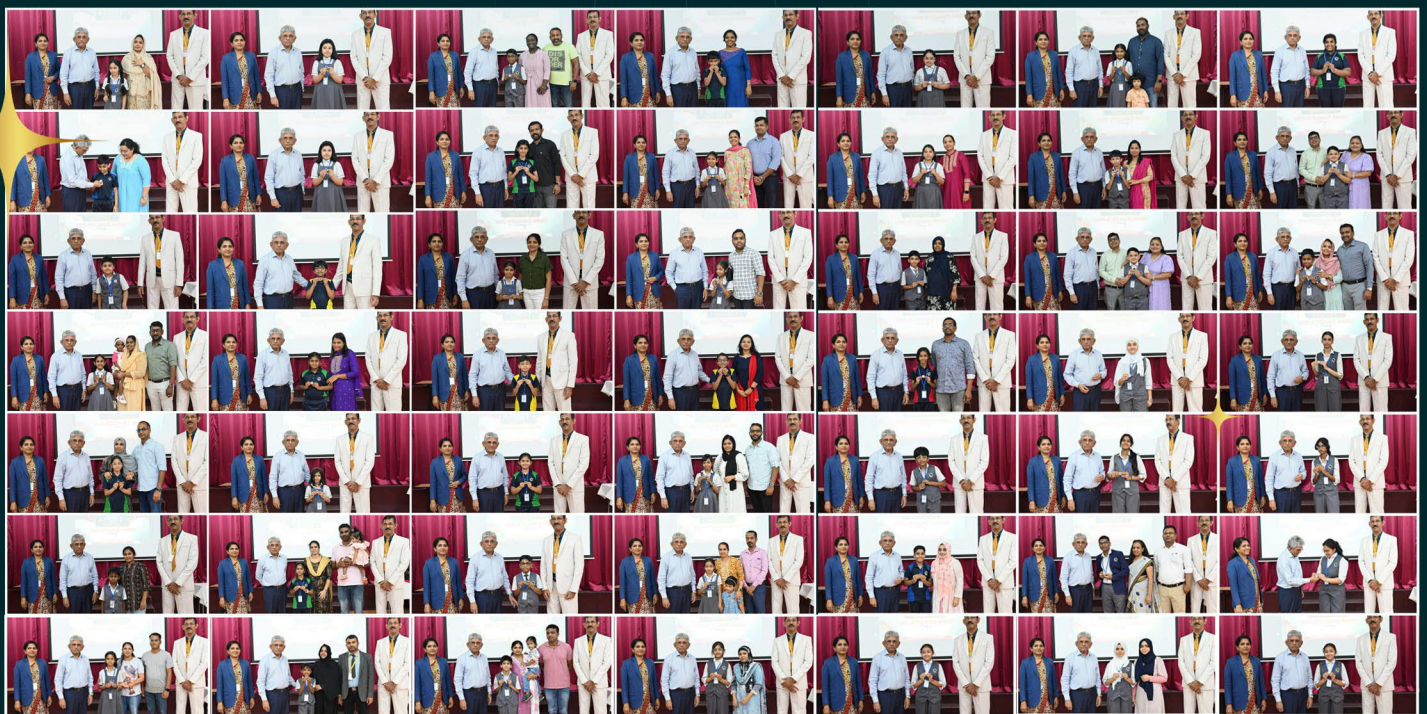

Scholars CHAIRMAN'S AWARD & 100% ATTENDANCE AWARD

Scholars Indian Private School takes immense pride in recognising the exemplary achievements of its students through the **Chairman Award** and the **100% Attendance Award**.

The **Chairman Award** is conferred upon students who have demonstrated consistent academic excellence by securing A1 grades in all subjects across all examinations, earning them the prestigious Chairman Badge. This accolade celebrates their unwavering dedication, perseverance, and commitment to scholastic distinction.

In addition, the **100% Attendance Award** honours students who have maintained perfect attendance throughout the academic session, reflecting their discipline, responsibility, and commitment to learning. These awards not only acknowledge individual accomplishments but also inspire the entire school community to strive for excellence and embrace a culture of diligence, punctuality, and holistic growth.

Scholars ENTREPRENEURIAL INITIATIVE 2025-26

"Innovation distinguishes between a leader and a follower."

The Commerce Department of Scholars Indian Private School organized the Scholars Entrepreneurial Initiative 2025 on 4th October 2025 at the School Auditorium. The program aimed to provide students with a platform to showcase their entrepreneurial skills and innovative business ideas.

The event witnessed enthusiastic participation from students who presented creative business models, startup concepts, and solutions to real-world problems. Each presentation reflected the students' creativity, analytical thinking, and confidence in applying theoretical knowledge to practical contexts.

Parents and teachers were present as the audience, encouraging and motivating the young entrepreneurs. The event was graced by Mr. Tansen Habib Mundol (Vice Chairman), Mr. Hameed Ali Yayha K M (Principal), and Ms. Preetha M (Vice Principal), who also served as the judges for the competition. Their valuable insights and appreciation inspired students to refine their ideas and pursue their entrepreneurial goals.

A Q&A session followed each presentation, during which students confidently answered the questions posed by the audience, showcasing their deep understanding and preparedness. The initiative not only enhanced students' problem-solving, decision-making, and communication skills but also promoted leadership, teamwork, and innovation. It successfully nurtured an entrepreneurial mindset among students, empowering them to become visionary thinkers and responsible future change makers. The Scholars Entrepreneurial Initiative 2025 was a resounding success, reflecting the school's commitment to fostering creativity, innovation, and lifelong learning among its students.

The rally not only encouraged creativity and confidence among the KG students but also instilled the values of tolerance, respect, and compassion. The event concluded with a short assembly where students reflected on the importance of living in harmony and promoting peace in their daily lives.

The celebration of **International Peace Day 2025** was a joyful and meaningful initiative, reinforcing the school's commitment to nurturing socially responsible and empathetic young citizens from the very beginning of their educational journey.

A.B.T. Assessments

The International Benchmark Test

(Arabic, Islamic Studies & UAE Social Studies)

The **ABT Assessments for Arabic, UAE Social Studies, and Islamic Studies** was successfully conducted at Scholars Indian Private School from 22 to 30 September 2025. Designed for students of Grades 3 to 9, the assessment evaluated their knowledge, conceptual understanding, and application skills in these ministry subjects through a systematic, technology-enabled format.

The **Assessment Based Test (ABT)** serves as a vital tool for measuring conceptual clarity, analytical thinking, and critical reasoning. It enables teachers to identify individual strengths and learning gaps, while fostering students' comprehension, interpretation, and real-life application skills.

The examinations were conducted in the school computer lab under the supervision of subject teachers, with all arrangements made to ensure a smooth, fair, and uninterrupted process. Students who submitted the BYOD (Bring Your Own Device) form were permitted to use personal digital devices, enhancing comfort and familiarity during the assessment. Proper seating arrangements, vigilant monitoring, and technical support ensured the seamless execution of the examination.

The ABT Examination was carried out with efficiency and precision, with students demonstrating confidence, enthusiasm, and focus throughout. The integration of technology not only made the testing process interactive and engaging but also prepared learners for future digital assessments. The outcomes provided valuable insights into academic growth, reaffirming the importance of continuous assessment as a tool to enhance learning outcomes and nurture lifelong learners.

Happy UAE FLAG DAY

Scholars Indian Private School observed **UAE Flag Day** with great enthusiasm and national pride, uniting the entire school community in a meaningful celebration of the nation's cherished symbol. The occasion highlighted the values of unity, respect, and loyalty that the UAE flag represents.

The ceremony commenced with the honorable flag-raising by Principal Mr. Hameed Ali Yahya K M, accompanied by the resonant voices of students and staff singing the UAE National Anthem. The moment reflected a deep sense of belonging and reverence for the nation, inspiring everyone present.

A spirited Flag Day procession followed within the school campus. Students marched confidently, holding the UAE flag high as their voices echoed with patriotic chants. Many came dressed in the four symbolic colors of the UAE flag, adding vibrancy and emotion to the celebration. Their joyful waving of the flags created a dynamic and visually striking atmosphere filled with pride and gratitude.

Through this celebration, students were reminded of the profound significance of the UAE flag—its representation of courage, peace, hope, and resilience. The event successfully instilled patriotic values and strengthened the bond between students and their host nation.

BriBooks

National Young Authors' Fair 2025 - UAE

"The art of writing is the art of discovering what you believe"

Scholars Indian Private School proudly showcased its literary talent at the National Young Authors Fair, UAE, securing an impressive 6th place among the top ten schools. This achievement highlights the creativity, dedication, and hard work of its students.

A total of 85 students became published authors, producing 111 books, with 67 already sold, reflecting the resonance and popularity of their work. Two students earned special recognition with the Special Jury Award:

Aleeza Faisal - Grade 7, "The Last Human on Earth" — 4th rank.

Cyrus Ryan - Grade 9, "The Clockmaker's Apprentice" — 9th rank.

The school community extends heartfelt congratulations to all participants. Their achievement cements Scholars' position on the UAE literary map and inspires future young writers to dream boldly and create meaningfully.

On 4th June 2025, the RAK Department of Knowledge (RAK DOK) proudly hosted the “**Together We Thrive**”- **Festival of Learning**, a distinguished celebration of innovation, inclusivity, and forward-thinking pedagogy. Scholars Indian Private School actively participated, reaffirming its unwavering commitment to cultivating inclusive, future-ready, and dynamic learning environments.

We are elated to share that, among 27 schools competing in the Innovation category, Scholars Indian Private School was recognized as one of the Top 5 Schools across Ras Al Khaimah—a testament to the ingenuity, dedication, and excellence that define our school community. The award ceremony, held at the RAK Chamber of Commerce, honored institutions that demonstrated exceptional creativity, impactful educational initiatives, and a visionary approach to learning.

This accolade reflects the hard work, ingenuity, and innovative spirit of our students, the progressive pedagogical practices of our teachers, and the collaborative efforts of our leadership and staff. Such recognition inspires us to continuously evolve, experiment, and excel, fostering learning experiences that are not only inclusive and forward-looking but also transformative for every learner.

As we celebrate this achievement, we remain guided by the principle that together, we learn, innovate, and thrive, creating a brighter, more empowered future for all students.

BASKETBALL CUP

RAS AL KHAIMAH CHAMPIONS 2025

The Ras Al Khaimah Department of Knowledge (RAKDOK) recently organized an exciting Inter-School Basketball Championship for Boys and Girls under-14 and under-18 categories, bringing together talented young athletes from across the emirate. The event celebrated teamwork, sportsmanship, and the spirit of healthy competition.

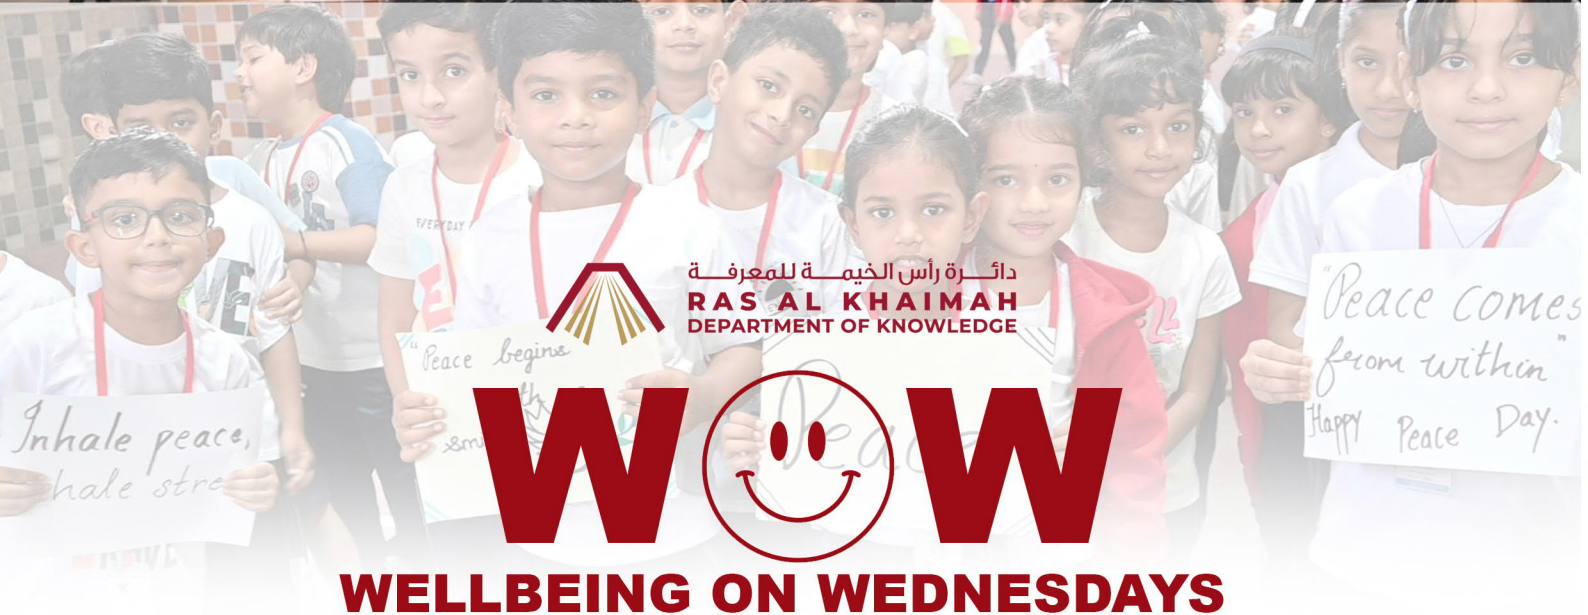

Our school teams took to the court with confidence and determination, showcasing their remarkable skills and unwavering team spirit throughout the tournament.

In the Under-14 Girls category, our spirited team fought their way to the semi-finals against Wellspring International School. Though they couldn't clinch the win in that round, they bounced back with renewed energy in the losers' final, defeating St. Mary International School to proudly claim the 3rd position overall.

The Under-18 Boys team delivered a series of stellar performances, defeating Wellspring International School in a gripping semi-final to secure a spot in the grand finale against RAK Academy. The final match kept everyone on edge, filled with fast-paced action and fierce competition. After a thrilling contest, our boys finished as runners-up, earning a well-deserved 2nd place in the tournament.

The championship proved to be an inspiring experience for all participants, allowing them to test their abilities, strengthen their teamwork, and embrace the values of true sportsmanship. Both teams played with heart, passion, and pride, making the entire Scholars community immensely proud of their achievements.

WellBeing AMBASSADORS

The **RakDok Wellness on Wednesdays** initiative united 35 schools across Ras Al Khaimah in a purposeful endeavour to cultivate a culture of holistic wellbeing within educational communities. Each week, the programme invited students, teachers, and parents to engage in thoughtfully curated activities designed to enhance physical vitality, emotional balance, and mindful awareness. Through this collective effort, the initiative nurtured an environment in which healthy routines, reflective practices, and positive habits became an integral and celebrated part of school life.

Amid this broad and spirited participation, Scholars Indian Private School distinguished itself with exceptional dedication and innovation, securing its position as one of the nine Champion Schools. The school's sustained engagement, creative contributions, and steadfast commitment to the ethos of wellbeing reflected its deep-rooted belief in nurturing the whole learner.

A particularly proud moment emerged when four students were honoured for their remarkable performance in the interschool wellbeing challenge. **Rose Maria Dixun, Fathima Thashrif, Aafreen, and Aaron Anthony** were awarded the prestigious title of **Wellbeing Ambassadors** of Scholars Indian Private School. Their leadership, collaborative spirit, and thoughtfully designed wellbeing initiatives set them apart from participants across all 35 institutions.

The Ras Al Khaimah Department of Knowledge's initiative stands as a compelling affirmation of the transformative impact of prioritising mental, emotional, and physical wellness in schools. The recognition earned by Scholars Indian Private School—and the distinction bestowed upon its newly appointed Wellbeing Ambassadors—underscores the school's unwavering commitment to cultivating a compassionate, health-conscious, and resilient learning community where every individual is empowered to flourish.

In a concerted effort to foster students' holistic growth and enhance their overall well-being, the school, in collaboration with **RAK DoK (RAK Department of Knowledge)**, organized the **WOW – Wellness on Wednesday** initiative during the months of September and October. Conducted every Wednesday, these thoughtfully curated sessions were designed to nurture students' mental, emotional, and social wellness, offering them a rejuvenating midweek pause to relax, recharge, and realign their focus.

The program sought to create meaningful opportunities for students to unwind, reflect, and revitalize, thereby sustaining their concentration, motivation, and emotional equilibrium throughout their academic journey. By seamlessly integrating wellness practices into the school routine, the initiative promoted mindfulness, self-awareness, empathy, and optimism, encouraging students to embrace balance as an essential component of success.

Each Wednesday unfolded a blend of creative, engaging, and interactive activities that harmonized learning with enjoyment. Students enthusiastically participated in relaxation exercises, art-based explorations, collaborative games, communication challenges, and light-hearted entertainment segments — each meticulously crafted to cultivate creativity, collaboration, and emotional intelligence. These sessions provided a vibrant platform for self-expression, strengthened peer relationships, and fostered a deep sense of connection and belonging within the school community.
